Exalted Ruler's Message

Members All,

Summer is finally here –who would have guessed with all the rain we've had?? June was a very busy month.

We held our annual Golf outing, our 1st Flea Market for the year, we celebrated Flag Day, and had a wonderful Father's Day Breakfast. Lots of work has been going on at the Lodge to prepare for our summer events. The grounds are in great shape, the pool looks great and is now open, and the back porch is getting a well deserved makeover.

July has lots in store for us. We'll have our annual 4th of July Picnic, our annual Seniors Picnic, and our 50th anniversary is just around the corner. We've received quite a few responses so far, and we'd love to see more attend. Please RSVP as soon as possible if you plan on attending. There will be no "walk-ins" on the night of the event. If you did not receive your invitation, please contact Jimmie Hay at (914) 588-1085 to confirm your address and he'll get one out to you, or fill out a response card on the back page of the Newsletter and mail it in. Remember, dress attire is required (jacket and tie for men - no jeans).

Finally, I will be attending the Elks National Convention in Portland, Oregon from July 5th – 9th and will share any information I receive from the Convention with you, at our next meeting on July 28th. See you then!

As always, feel free to call upon me or any of the Lodge Officers if you have any questions or concerns.

Fraternally yours,

Dominick S. Talarico - E.R.

Cell: 646-210-0854 - email: domtheelk@hotmail.com

From the Secretary's' Desk:

Please remember to pay your dues if you haven't already. Also inform me of any change in address or phone number so we can keep our information up to date. I am at the Lodge every Saturday morning if you need to see me.

Fraternally yours,
Carole Campbell - Secretary.

A Message from The 52 Club:

Major Projects Information

As you may or may not know, New York State Elks Major Projects Cerebral Palsy Home Service Program is a very powerful one, and represents an active collaboration between Elks and Cerebral Palsy Associations of New York State.

The program provides direct services to adults and children with disabilities and their families in their home environment, resulting in improved quality of life for many people. The money we raise pays these employees to travel thousands of miles through New York to provide whatever the client needs. Your generosity means so much too so many! So please help us help all those people. We really need your help. Please purchase a Major Projects Ticket and help make a difference in someone's life.

Thank you,

ER Dominick
